ADMINISTRATION UPDATES

Ey Swayel Friends and Relatives!

BAND OFFICE OPERATING AT A LIMITED CAPACITY ON FRIDAY OCTOBER 1, 2021 - ONLY CHEQUE DISTRIBUTION WILL BE AVAILABLE

The Band Office will reopen on Monday, October 4, to accept appointments; however, we are precautionary by operating at a limited capacity during this time. With the introduction of new public health orders, we want to ensure that our office is safe for all community members attending appointments and our staff. Please note that staff will remain accessible by phone, email, and videocalls as needed. Please contact Marcelo Pucci if you have any questions at 604-991-8188

OTHER INFORMATION:

COVID-19 UPDATE

We would like to remind the Cheam Community that COVID-19 is spreading quickly in the territory. To ensure the health and safety of our Community and staff members, we continue to encourage the importance of following the provincial health guidelines and recommendations, including hand-washing/sanitation, maintaining physical distancing, avoiding large gatherings/keeping your bubble small, and staying home with any symptoms or illness. Please do not hesitate to seek assistance from the band and Seabird health if you test positive.

As COVID-19 cases continue to rise, the Multiplex Gym and Band office remain closed for meetings and events not being led by staff. Although the Administration Wing, gym and office meeting rooms remain closed to visitors, the Health Wing operates by appointment only. Staff continue to work full hours and are available by phone or email. Should you have any housing, maintenance, or public works requests during this time, you can fill out the appropriate request form found on the Members Only section of the website.

CANCELLATION OF COMMUNITY EVENTS

As of September 28, the Public Health Orders for Eastern Fraser Valley has increased. To remain compliant with the public health orders and keep our community safe, we are cancelling any gatherings or events for the next two weeks.

NEWSLETTER DISTRIBUTION

When a survey was conducted in the summer, the majority of respondents indicated that they prefer to read the newsletter online. However, paper copies will still be available for those that prefer them and will be located in the newspaper box at the Band Office.

LANDS GOVERNANCE ADVISORY COMMITTEE

On behalf of Council, we are happy to announce that the following Members have accepted their appointed positions to the Lands Governance Advisory Committee:

- Sidney Douglas
- Daphne Edwards
- Eric Alex
- Jason Victor

AFTER-SCHOOL CLUB

With back-to-school comes a return to after-school activities!

We are excited to be starting an After-School Club for Community children in kindergarten through grade 12. The club is now open Monday to Friday from noon to 6 pm in the new Education portable.

We are also looking for suggestions for a new name for the club... some suggestions we've received so far are "Fun House", "Get Away Building" and "Play for the Day". If you have a fun idea of a new name, let us know!

HOW TO GET YOUR BC VACCINE CARD

The BC Covid-19 Vaccine Card system comes into effect on Monday, September 13. Your paper immunization record (the card you were given when receiving your vaccine) will be accepted until September 26, after which you will need to present a digital or paper copy of the official BC Vaccine Card. To get your card go to: <https://www.gov.bc.ca/vaccinecard>. You can save the digital version to your phone or tablet or print a paper copy to carry in your wallet. Both options are accepted everywhere.

Step 1: Log-in securely

To log-in securely, you need to provide your:

- Date of birth
- Personal Health Number (PHN)
- Date you got dose 1 or dose 2

Step 2: Save or print

After you've securely logged in, you have 2 options:

- Save a digital copy of your card to your phone or tablet. We recommend saving to your photo album or downloads folder
- Print a paper copy and keep it with you

You can save or print a card for yourself or someone else, like a youth or parent.

Step 3: Show your card

Have your card ready when entering a business.

They'll look at your vaccine card and also check your government ID.

Enjoy events, businesses and services in B.C.

Feel safe knowing that everyone around you is vaccinated.

Don't have a computer or smartphone, or need help?

You can order a paper copy by phone.

Note: You can't request a paper copy for someone else.

Call: [1-833-838-2323](tel:1-833-838-2323)

How to get your digital BC Vaccine Card

- 1 Visit gov.bc.ca/vaccinecard
Enter your Personal Health Number, date of birth, and date of vaccination
- 2 Get your BC Vaccine Card
Save it to your mobile device or print it
- 3 Have your BC Vaccine Card ready
Show it with your ID

COVID-19 IN BC

Government of British Columbia

Effective September 13, people aged 12 and over will be required to show proof of vaccination to get into many events and businesses in BC. Are you vaccinated with your first or second dose? Get your digital or paper BC Vaccine Card today. Learn more: gov.bc.ca/VaccineCard

CHEAM ELDERS GROUP MEETINGS RESUMED

We are pleased to be organizing the monthly meetings of the Cheam Elders Group. Next week's meeting will be on Tuesday, September 21 at 12 noon in the Gymnasium of the Band office and will include lunch.

CHEAM VOLUNTEER PROGRAM

As we start to see a return of more Community events, there will be many volunteer opportunities for members to participate in the near future. The opportunities will vary by event and include event set-up, tear down, food service, event registration, and more!

Hours and volunteer responsibilities will be outlined before each event and a signup system will be created. As many high schools require volunteer hours for students, this is an excellent opportunity to help your Community and fulfill school requirements!

If you are interested in participating in Cheam's Volunteer Program, please email your name, age and areas of interest to communications@cheamband.com.

HOUSING DEPARTMENT

Change of Cellphone Numbers for Housing Department

Please be advised that the Housing intake phone numbers has changed. The number is now designated to be the Emergency Shelter phone number. The number is 604-991-0030.

OPERATING YOUR SEPTIC SYSTEM

IF IN DOUBT – DON'T POUR IT OUT!

Septic systems thrive on wastewater, but certain chemicals can cause major indigestion. Flushing even small amounts of paints, solvents, thinners, nail polish removers and other common household compounds (or pouring them down the drain) can poison the organisms that break down organic material.

Laundry bleaches, toilet bowl cleaners and caustic drain openers can also slow the treatment process, allowing sewage to pass through without proper treatment. And often, the chemicals themselves seep into the ground, sometimes contaminating wells or surface waters.

Septic systems cannot digest oils, grease, and fat. Poured down the sink or toilet, they congeal in pipes sometimes plugging them. Grease can also combine with detergents and flow into the drainage field where it may clog the soils. Fats can form a blob in the top of the tank and interfere with the biological activities taking place. All oily waste should go out with the garbage.

Using your septic system to dispose of garbage is another no-no. In sink garbage disposals ("Garburators") are unwelcome strains on the system. Disposable diapers, tampons and their holders, condoms, wrappers, and many other kinds of refuse can plug and impair septic systems. If something doesn't break down naturally, don't flush it into your septic tank.

Preparations marketed as septic tank "cleaners", "starters" or "enhancers" are of little value. Some have led to essential bacteria in the tank perishing and others may flush septic solids into the drainage field. At best, these products are entirely unnecessary.

PROTECT YOUR SEPTIC SYSTEM

Driving cars or machinery over your septic system will crush it.

The soil surrounding the pipes may also be compacted, making it less adept at absorbing sewage flows. Snowmobiles compress the snow cover over the field, reducing its natural insulating effect and increasing the risk of pipes freezing. Septic tanks work better at warmer temperatures. Insulating the top of the tank (e.g., with polystyrene insulation) helps, and can avoid sewage freezing under extreme conditions.

Planting trees and shrubs (especially willows and poplars) near the field is risky because their roots travel significant distances to seek water and can plug or damage the pipes. And watering of the grass over the field, whether by in ground systems or by hand, should be eliminated or minimized. Watering interferes with the soil's ability to absorb liquids and break down wastes.

The drainage field is a specialized system, doing a vital job. Keep it dry, don't plant near it and keep heavy things off the grass!

HOUSING DEPARTMENT

ANNUAL HOUSING INSPECTION

This is to inform that the Housing Department will be doing the annual inspection on **all rental or social housing units**.

The Housing Inspector will be here on:

Dates: Friday, October 1, 2021
Saturday October 2, 2021
Monday October 4, 2021

Times: 8 am to 5 pm (Friday is till 6 pm)
One hour booked rental inspection

If you require a service, please contact the Housing Department by September 23, otherwise you will be assigned a service on the day of inspection.

Changes made this year for the Inspector, and his name is Danny Tourville, La:lem Building Inspection and Consulting. Another change is inspection will commence on a Saturday.

COVID 19 safety guidelines will be followed and will be distribute to the Inspector and all tenants.

Thank you,

Cheam Housing Department

CHEAM DUDES CLUB

Join the brotherhood to support men's mental health and wellness by becoming a part of Cheam's Dudes Club.

What is Dudes Club?

Dudes Club is a safe space for men to come together in brotherhood to talk about guy stuff. Based on Indigenous teachings, Dudes Club uses trained facilitators, cultural activities and community building to make it easier for men to talk about what's bothering them and work towards overall wellness.

With the help of Elders, we will learn culture and traditions- and just how to be DUDES. All we ask of you is to bring an open mind and leave your armour at the door.

Dudes Club is open to all men (including those who identify as men) in the Community and will run Thursdays from 4-6 pm starting in September; the exact location is to be determined. If you're interested in being a part of this men's group or want more information, contact our Wellness Advocate, Ray at ray.hartt@cheamband.com or 604-991-9610.

DUDES CLUB CORE VALUES

Relationships

We prioritize work together that begins with, and builds towards, strong relationships, with: Self, Peers, Family, Community, Elders, and the Land.

Journey

We recognize that to be effective and sustainable in the long term, this must be patient, and sometimes slow, work. The concept of 'Seven Generations' also reminds us to think beyond immediate needs, and that healing is a process that happens over time, not a quick fix.

Sanctuary

Our work depends on trust, and happens within a context of non-judgmental, inclusive, compassionate, respectful, culturally safe spaces.

Two-Eyed Seeing

To move forward in a good way towards men's wellness we must balance the strengths of both Indigenous and western ways of knowing, ensuring our clubs are places of Cultural Safety, where Dudes can reconnect to their heritage and family, through storytelling and sharing. "In a good way", whereby the work undertaken is a sacred endeavor, connected to ceremony and ancestral wisdom, and contributes to healing.

Brotherhood

We recognize that reclaiming, redefining, and decolonizing ideas of what it is to be a 'man' is essential, and that this is a process that men must undertake to support each other. Healthy, authentic, humble, courageous masculinities are core to our work.

SOCIAL ASSISTANCE RECIPIENTS

To avoid any delay in receiving your next social assistance cheque, please contact the Social Development Department to confirm your file is up to date to as this will ensure that you receive all of the social assistance benefits that you qualify for.

For example, your file may need:

- Updated tenancy agreement/confirmation of residency (April 1, 2021- March 31, 2022)
- Valid identification
- Utility bills
- Bank statements
- Persons with disabilities letter of approval
- Diet supplement letters

Please contact Bekki at 604-745-8026 or email rebecca.pears@cheamand.com.

EDUCATION UPDATES

INTRODUCTION TO YOUR JORDAN'S PRINCIPLE SERVICE COORDINATOR

Éy swáyel,

My name is Chelsea Fillardeau-Hall and I am writing to introduce myself as the Jordan's Principle Service Coordinator in the Fraser Salish and let you know how I can support you and your children to access health, social and education supports, including Jordan's Principle funding.

Jordan's Principle is named in memory of Jordan River Anderson, a young boy from Norway House Cree Nation in Manitoba. Jordan's Principle makes sure all First Nations children living in Canada have access to the products, services and supports they need, when they need them.

To support families, Indigenous Services Canada (ISC) BC Region has been working with First Nations partners to develop and implement a made-in-BC Jordan's Principle Enhanced Service Coordination model of care that puts First Nations children and families at the centre of service delivery.

As a Jordan's Principle Service Coordinator, I can work with you to identify and facilitate timely access to a whole range of federal and provincial health, social, and education products services and supports to meet your child's needs. Plus, I can address questions about Jordan's Principle and assist you to submit requests for funding under Jordan's Principle on their behalf. To be eligible, children must be between the ages of 0-19 years of age.

Further information about Jordan's Principle, including eligibility and how to submit a request, can be found at this link: <https://www.sac-isc.gc.ca/eng/1568396042341/1568396159824>.

I will primarily work with families within the Fraser Salish region, but First Nations families anywhere in BC are welcome to connect with me. Below is my contact information.

MATERNAL CHILD HEALTH PROGRAM

Are you expecting or
Have a baby?

Maternal Child Health Program

- ☐ Maternal Child Health program is a voluntary program available to first nation families living on-reserve, who are in need of prenatal/postnatal support (up to 6 years of age).
- ☐ If you are a prenatal/postnatal family and would like to access the MCH program you can connect with a team member by calling 604-796-2177 or by connecting on Facebook by typing Seabird Island MCH in the search engine
- ☐ Once a connection is made MCH team will be in contact to complete an intake form. The intake form is used to evaluate the level of support that is needed.
- ☐ During the intake process you will be asked if you would like to be seen by a midwife. If this is chosen, a referral will be made.

Once baby is born

- ☐ MCH team will support parents to register the birth, apply for birth certificate, social insurance number, status card, care card number, child tax, and status card
- ☐ Once status card number is obtained the MCH team will support parents to join FNHA MSP
- ☐ MCH team will discuss with families the BC immunization schedule and refer families to the immunization nurses who will collaborate with the LPN/CHR in each community to set up appointments for 2, 4, 6, 12, 18month and kindergarten vaccines

EARLY CHILDHOOD REFERRAL PROGRAMS

Seabird Island has the following early childhood programs available to Cheam members on a referral basis. If you're interested in one of these programs, please contact the Cheam Health Department to get a referral.

Aboriginal Infant Development

AIDP offers programs that may support families by providing home visits, group programs, and educational programs. Our services are offered to babies and toddlers who may require extra support due to physical, social, intellectual, emotional and developmental challenges. Eligibility: Services are available to Aboriginal families both on and off-reserve with children birth-6 years of age.

Daycare

The Seabird Island Daycare is a fully licensed daycare that operates from 7:30 AM -5:30 PM, Monday to Friday; excluding statutory holidays and community special events. Our childcare facility promotes healthy development and embraces the individual needs of children in our care. Eligibility: Services are available to families with children birth-6 years of age.

Ey Qwal Speech & Language

The Ey Qwál Program provides support to children from birth to Kindergarten entry. A Speech and Language Pathologist screens and assesses children who may be experiencing a speech and/or language delay or difficulty. The Speech Pathologist and Assistant then provide direct support to eligible children. Eligibility: Services are available to Aboriginal children ages 0 to 6 years until Kindergarten entry.

Head Start Parents and Tots

The Head Start program is a holistic program to help meet the individual needs of your children spiritually, intellectually, physically, cognitively and emotionally. The Parents & Tots program emphasizes that parents must actively participate and supervise their children at all times. Eligibility: Services are available to Aboriginal children ages 0 to 5 years and their families (including siblings and relatives).

Preschool 3's

Children taking part in Language Nest Preschool will be fully immersed in the Halq'emeylem language. Elders will be present to speak the language constantly throughout the day in a natural home-like setting. Eligibility: Services are available to Aboriginal children 2—3 years old who live on reserve (space is limited)

Preschool 4's

The Preschool is licensed for 20 children per class, for three-year-olds and four-year-olds. Aboriginal culture and language as well as parent involvement play an important part in the Preschool. Eligibility: Services are available to Children 3—4 years of age.

Supported Child Development

The program provides services to children who are in need of extra support due to physical, intellectual, social, emotional and communicative challenges. Eligibility: Services are available to children 0—19 years of age (with priority given to the younger age groups)

PRE-EMPLOYMENT SUPPORT PROGRAM

Through our partnership with Seabird Island, there is a Pre-Employment Caseworker available to provide Cheam members with help and guidance in finding employment.

The caseworker will be available at the Band office on Mondays afternoon and Thursday mornings by appointment.

WHAT IS A PRE-EMPLOYMENT SUPPORT PROGRAM?

The Pre-employment Support Program (PESP) is an income assistance initiative for individuals that are 19-64 years of age receiving on-reserve Income Assistance. PESP utilizes a proactive approach that focuses on identifying individual employment readiness, including the work and life skills training they require to find and maintain a job.

In addition, the PESP provides personalized pre-employment training, equipment and other monetary needs and helps them connect with sources of employment.

WHAT DO PESP CASEWORKERS AND THIS PROGRAM OFFER?

Pre-Employment caseworkers and the PES program are there to support and assist individuals toward self-sufficiency. Services include:

- Counselling to remove barriers to employment; addictions, trauma and grief, psycho-vocational assessment.
- Coaching and mentoring
- Child Care and accommodation costs
- Introduction to industry and jobs, referral to CLBC
- Pre-Employment training (such as lift skills)
- Limited training incentives
- Transportation and equipment costs.

Andrea Paul – Pre-Employment Program Case Worker

Let me introduce myself. I'm a Sechelt First Nation band member and have 16 years working in aboriginal communities providing community services. I have always felt a strong tie to the Fraser Valley as I have family ties to Leq'a:mel First Nation through my grandmother. I have many aunts and uncles in area.

The Pre-Employment Program (PESP) can offer supports to income assistance clients that meet certain criteria. Supports will vary as each client will have differing needs. Some supports that may be available are cell phones, minutes, bus passes, interview clothing and work clothing.

I will be working Mondays and Wednesdays at the Cheam Band office and available for appointments from 9-3. Please call 1 604-796-7215 or stop by if you have any questions about the program.

ELIGIBILITY FOR HEALTH BENEFITS

The Health Benefits Program is available to First Nations people with Indian status who live in BC. The Health Benefits Program is also available to infants (up to 24 months) if at least one parent is eligible for the program. Some mental health services have different eligibility criteria (see www.fnha.ca/benefits/mental-health for more information).

You are not eligible for Health Benefits if you have health insurance provided by the federal government, or by a First Nations organization as part of a self-government agreement with Canada.

If you need to register for Indian status, or have questions related to Indian status eligibility, see How to apply for a status card on the Indigenous Services Canada (ISC) website (www.sac-isc.gc.ca/eng/1100100032421/1572461539061).

HOW TO ENROLL:

If you are eligible for the Health Benefits Program, you must first enroll in the program to access benefits and coverage.

If you need to enroll for the first time, or you want to confirm that you are already enrolled, have your status number ready and call Health Benefits at 1-855-550-5454.

You may want to confirm your enrollment if you recently:

- moved to BC
- turned 19
- married or divorced
- had an employer pay MSP premiums on your behalf

If you are registering with Health Benefits for the first time, you may need to fill out two forms (both found at the back of this newsletter) and send them to HealthBenefits@fnha.ca.

- Pacific Blue Cross Enrollment Application for Group Benefits
- Medical Services Plan (MSP) Application for Enrollment

HOW TO ENROLL A CHILD:

To enroll with Health Benefits your child needs a Personal Health Number (PHN) and an Indian Status Number. Once they have both, call Health Benefits to enroll them.

1. Register your child's birth with BC within their first three months. [Registering with the province](#) confirms your child's Personal Health Number (PHN).
2. Register your child for Indian Status. [Register your child for a status number](#) with Indigenous Services Canada (ISC) as soon as possible. Processing times can take two years.
3. Meanwhile, your child can be covered under your account. While you wait for your child's status number, if your child has a PHN, they can be covered under your Health Benefits account until they are two years old.
4. Call Health Benefits. Once your child has their own status number, call First Nations Health Authority at 1-855-550-5454 to enroll them under their own account.

RETRIEVAL OF USED NEEDLES

The BCCDC and Provincial Health Officer recommend against used needle buy-back programs

We're aware used needle buy-back programs are being introduced into some communities. The BC Centre for Disease Control (BCCDC) and Provincial Health Officer do not recommend the use of these programs because there is no evidence that they are effective and they may cause unintended harm and consequences for the following reasons:

Increased risks of a needle poke (stick) injury

- There is a risk of needle stick injury to the individual counting returned needles.
- People may be dissuaded from using personal sharps containers so needles can be counted. This creates a risk of needle injury when carrying sharps in an unsafe manner.

Risks associated with breaking into or removing of community disposal boxes

- Placing a monetary value on used needles may result in people removing or breaking into sharps containers. This may increase drug litter as containers are emptied to remove the needles and can put people at risk of needle stick injury.
- If fixed box sharps containers are removed there will be nowhere to dispose of used supplies, increasing drug litter.

Wastage

- Enterprising individuals may identify that needles can be obtained for free from a harm reduction site, taken out of the package, and returned for profit. This is wasteful of harm reduction supplies and funds and may contribute to drug litter including needle wrappers.

We recommend engaging with clients

- Many communities have effective peer needle recovery programs. Buy-back funds could be invested in this type of program, which engages people who use substances in needle recovery and provides opportunities for low-barrier employment. Peer workers are best situated to know where needles are being discarded, and to engage others who use needles about safe disposal.
- People should be encouraged to take their needles back to harm reduction distribution sites/health unit where they can get further supplies, including sharps containers and be connected with other services.

BC Harm Reduction Strategies & Services (HRSS) Committee works to reduce harms caused by substance use, promote referrals to health and social services, and ensure equitable reach of harm reduction supplies to those who use drugs in BC. HRSS develops guidelines to ensure sterile supplies are available for every injection to reduce transmission of HIV and hepatitis C, and the safe disposal of used supplies. The funding for harm reduction supplies is provided by the Ministry of Health. The BC Centre for Disease Control (BCCDC) oversees the distribution of harm reduction supplies to sites approved by the regional health authority.

The health authority collaborates with local municipalities and agencies to manage the disposal of used supplies. Safe disposal of injection supplies includes: the distribution of small sharps containers for personal use by the harm reduction program; providing large disposal containers in public spaces; health centres and other clinics and agencies accepting used supplies for disposal; peer needle recovery programs (needle sweeps) and education for safe needle disposal.

NALOXONE TRAINING OPPORTUNITIES

Our Wellness Advocate, Ray Hartt, is a certified trainer in Overdose Recognition and Response and is offering Naloxone training to anyone in the Community (ages 12 and up) who would like to learn how to administer this potentially life-saving medication.

WHAT IS NALOXONE?

Naloxone (also known as NarCan) is an opiate receptor blocker that helps reverse the effects of an opioid overdose and allows time for medical help to arrive.

HOW IS NALOXONE GIVEN?

Naloxone can be given through intramuscular injection or a nasal spray. Both methods are equally effective, safe for the person administering them, and easy to use.

WHAT IS INVOLVED IN THE TRAINING?

The training is hands-on and is very simple. In about 10 minutes, you will learn everything you need to know to confidently administer Naloxone treatment to someone experiencing an opioid overdose.

WHERE IS THE TRAINING?

The training can be provided in the Cheam Health wing for groups of up to 10 people or can be done one-on-one anywhere that is convenient for you. Ray is passionate about getting as many people trained on Naloxone as possible, is flexible and is willing to provide training wherever is most convenient for Community members.

HOW CAN I SIGN UP FOR TRAINING?

If you're interested in receiving this training, please contact our Wellness Advocate and Naloxone trainer, Ray Hartt and let him know. He will then schedule and arrange training sessions based on the interest from the Community. Ray can be reached via email at ray.hartt@cheamband.com or by calling the Cheam Health Department at 604-794-7927.

HOW CAN I LEARN MORE?

To learn more about Naloxone, the training, or to ask more questions, please reach out directly to Ray. He can be reached via email at ray.hartt@cheamband.com or by calling the Cheam Health Department at 604-794-7927.

SEABIRD ISLAND HEALTH SERVICES

THROUGH OUR PARTNERSHIP WITH SEABIRD ISLAND, CHEAM MEMBERS HAVE ACCESS TO THE FOLLOWING PROGRAMS:

MATERNAL CHILD HEALTH PROGRAM

The Maternal Child Health program has 2 Registered Midwives and one Locum who work closely with two Registered Nurses and LPN. Kwiyo:s ('Respected Aunties') Maternal Child Program provides support for expecting moms and their families, which extends into the post-partum period.

THE KWIYO:S, "RESPECTED AUNTIES"

This is a great program that opens the door for new and experienced moms to come and ask for support. The Kwiyo:s Team has 10-12 home visits a month to provide support, education and help connect families with other services. The Kwiyo:s are also doula (labor/birth/postpartum support) trained and help make pregnancy and childbirth more comfortable. Postpartum support includes: helping with the physical, emotional and spiritual adjustment of parenting, as well as breastfeeding support, breastfeeding education, infant/child milestones, infant/child development (i.e. support for immunizations, status, birth certificates etc.), attending appointments with families both medical and non-medical, providing medical transportation as well as car seat safety issues and questions.

FETAL ALCOHOL SPECTRUM DISORDER (FASD) PROGRAM

The FASD program is incorporated into Maternal Child Health. Workers provide education on FASD through displays/presentations via Zoom and media such as Facebook. Kwiyo:s build relationships with moms who may be at risk, this support helps reduce the risks of having a baby affected by FASD.

Some families have become dependent on the MCH Team for support and transportation, they are now fully supported giving their children the best possible chance for healthy development.

ABORIGINAL HEAD START ON RESERVE

The primary program under the Head Start umbrella is the Parent and Tot Program. This program is open to all Cheam families with children 0 - 6 years old. The program is offered from September to June and includes many fun activities for parents, grandparents, other family members and children. The children take pleasure in playing with their friends, doing arts and crafts, singing and having fun with toys. Activities typically have a strong cultural component. Families also enjoy nutritional snacks and wonderfully prepared meals. *We hope to reopen this program in September when the Covid-restrictions are fully lifted.

CHILDREN'S ORAL HEALTH INITIATIVE (COHI)

Dental screenings are done quarterly for children under 7 years of age and prenatal parents. Topics covered are oral hygiene instruction, fluoride varnish, health center visits, information on prenatal sessions and prevention of early childhood tooth decay. *This has also been on hold due to Covid-19 but the Dental Therapists are slowly providing refresher courses with LPNs to start up the program again in a safe way.

COMMUNICABLE DISEASE CONTROL PROGRAMS

IMMUNIZATIONS

The Immunizations program works to assure Cheam infants, babies, toddlers, school-aged children, adults and seniors are kept up-to-date with the regular immunizations for disease prevention.

A Communicable disease nurse provides education about women's health, prevention to groups (such as youth health and adult health), and also performs testing for sexually transmitted infections, Hepatitis C and other communicable diseases. The Communicable Disease nurse also provides appropriate support and medications.

TB Screening is done on an annual basis and Influenza clinics are held in the fall and throughout the winter months to prevent respiratory infections.

HOME AND COMMUNITY CARE

Home Care Nursing is services provided by an RN and LPN, which includes:

- Prescription monitoring, medication management, preventing polypharmacy, medication pick up, delivery and assisting with refills.
- Rehabilitation Equipment Assessment: referrals for medical equipment in the home
- Health Specialist Referrals, OT, PT, counselling, psychiatry.
- Home Visits: Provide home visits assessing overall health status, vital signs, foot assessments, head-toe assessments, friendly visits, medication review, healthy living, diet and exercise
- Health Specialist Referrals (Better At Home Referrals, Safety Equipment in the homes, Valley Alert LifeLine referrals)
- Home Assessment: Advocating for funding to install ramps and housing renovations so that Elders that need medical renovations are taken care of and to promote their independence and healthy living
- Foot Care: provide diabetic foot care screening, prevention and education. Also foot care assessments for nerve damage, neuropathy, sensation and overall foot health.
- Wound Care: provide prevention, treatment and management of all types of wounds. Also assisting with wound care assessments, funding and referrals.
- Doctor's Clinics: Assisting with home visits by Dr. Fox, advocating for client's needs and requests, and assisting with the booking of appointments and transportation to SIB doctor's office.

OPTOMETRY / MAMMOGRAPHY SERVICES

These services are arranged through the Seabird CHR Amanda Peters. Cheam CHR's encourage and facilitate attendance at the Eye Clinic and the Mammography clinic.

HEALTHY LIVING / CHRONIC DISEASE PREVENTION AND MANAGEMENT PROGRAMS

ABORIGINAL DIABETES INITIATIVE / INJURY PREVENTION

Seabird Island Health Services provides the services of a Nutrition and Fitness Educator to Cheam members. The educator's services intend to meet the following objectives:

1. To reduce the incidence of chronic diseases, specifically diabetes and heart disease
2. To reduce the effects of, and complications associated with, diabetes and heart disease
3. To reduce incidents of childhood obesity and related illness
4. To promote healthy lifestyle choices and support active living

The Diabetes Program is still running but through virtual meetings or phone calls. The Diabetes Educators are accepting in-person appointments and referrals through nurses and/or doctors.

The Nutrition and Fitness Educators are also known as 'Lifestyle Coaches'. They hold monthly diabetes sessions, each with an overall educational objective. The Nutritionist holds one-on-one sessions and group sessions virtually.

COMMUNITY KITCHEN

The aim of this program is to provide a hands-on learning experience on healthy food choices and healthy food preparation. This is also a great opportunity for participants to learn about new recipes and food ideas. Topics include healthy carbohydrates, leaner fats choices, meats and alternatives, breakfast ideas, label readings, and adding spices to enhance the flavour of foods.

ADDITIONAL PROGRAMS

ABORIGINAL BREAST CANCER SURVIVOR GROUP

The Breast Cancer Support Group provided a safe and supportive setting for group members. Living and dealing with breast cancer is an "isolating" experience where days are spent in clinics, hospitals, in cars travelling to countless appointments, as such RN, Linda Forseth works hard to keep the group connected and provide meaningful opportunities for clients and spouses/support person to meet.

BETTER AT HOME

Better at Home is a fairly new program for Elders 65 years plus or 55 years with a disability and living on Reserve in any of the 22 Stó:lō Territories. This is a non-medical service to support Elders living at home and to enhance the current services Elders receive. Services include: housekeeping, yard work, gutter cleaning and minor home repairs.

| FTE/STATUS: | Full-Time, Permanent | Salary Range: | Dependent upon Education and Experience |
| Office Hours: | Mon.-Fri., 8:30am - 4:30pm | Effective Date: | |

Position Summary:

Reporting to the Director, Lands and Capital, the Project Manager (PM) is responsible for overseeing land development construction projects. Key responsibilities include managing all aspects of site preparation works, management of the offsite municipal servicing contracts and any onsite works, as directed. Providing support and guidance to the team in due diligence for new site acquisitions; servicing and site work budgeting; value engineering; and construction management for site preparation and offsite servicing projects are critical aspects of this role.

The Project Manager is responsible for understanding the project deliverables and translating them into plans and timelines for different individuals and groups involved in the project to make sure it remains on track. It is the PM's responsibility to ensure that the Project Team knows, understands and is engaged with the goals of the project and the roles and responsibilities of all parties involved with the project.

Required Qualifications / Education / Experience / Skills:

- Minimum of 5 years' experience in Project Management in relevant fields - Municipal Engineering, or Development Management.
- Experience in pre-development/pre-construction, project management, estimating, budgeting, cost analysis, value engineering, cost control, contract administration, and scheduling.
- Solid analytical skills to estimate cost-effectiveness while resolving issues arising during the project's lifetime.
- Ability to balance competing priorities, multitask, and to work under pressure.
- Excellent listening, verbal and written communication skills, combined with proven presentation experience to Management.
- Ability to foster excellent collaboration within the overall project team.
- Capacity to identify, mitigate, and manage project risks across multiple projects concurrently.
- Strong familiarity with project management software tools, methodologies, and best practices.
- Advanced computer skills, including intermediate to advanced knowledge of MS Office Suite and Excel.
- Familiarity with contract and subcontract terms.
- Experience managing earthworks construction projects including site filling, preloading, large yard construction, road building etc.
- Experience in working with municipal departments to acquire permits.
- Knowledge, understanding of and capability to interpret Municipal Bylaws and servicing requirements and standards.
- Cheam Laws knowledge is considered an asset.
- Experience with on and offsite servicing, land due diligence review, and managing tasks on multiple, concurrent projects.
- Self-motivator and takes on new initiatives.
- A track record of establishing highly functional relationships with diverse personalities both within and outside the company.
- Facilitate an environment of high performance. Mentor and support the development of self and the project team members.
- Ability to work in a team geared, cultural and politically sensitive environment.
- Direct experience working with First Nations government is considered an asset.

- Experience working with First Nations community is considered an asset.
- Ability to maintain confidentiality and abide by Cheam First Nations' Policies and Procedures.
- Knowledge, respect and understanding of Stó:lō culture, traditions and language is considered an asset.
- Understanding of the Contaminated Site Regulations is considered an asset.
- Understanding of fish habitat regulations and the Riparian Area Regulations is considered an asset.
- Understanding of development of legal documents, such as rights of way, easements and restrictive covenants is considered an asset.
- Satisfactory Criminal Record Check.

Duties and Responsibilities:

- Creating work plans, engaging the necessary personnel, and assigning the right duties to the right people.
- Coordinating tasks by different people on different sites to ensure uniformity upon project completion.
- Ensuring timely completion of projects.
- Working within the budget by adequately estimating the costs and cutting unnecessary expenses.
- Procuring and allocating resources to ensure there is no shortage while avoiding any unnecessary delays caused by management decisions.
- Managing both internal and external risks within the project's lifetime, such as poor planning designs, and government policies, which directly or indirectly affect the project.
- Reviewing land due diligence packages, including geotechnical and environmental reports and assisting in creating site preparation budgets. Participating in design meetings to analyze development plans and specifications for coordination, constructability, value engineering, and completeness.
- Coordinating with pre-construction and design to generate final lot and building layouts and develop site preparation and servicing concepts.
- Preparing final site preparation and offsite servicing estimates and determining the method to deliver the scopes of work (schedule, contract types, etc.).
- Managing the construction permit process (ESC, Soil Deposit, Hwy Use, Clearing, Demolition, etc.).
- Managing the consultants' work and contracts for construction services.
- Tendering, awarding, and managing all contractors for site preparation and offsite servicing projects.
- Coordinating all site-construction activities including safety, planning, scheduling, administration of contracts, supervising, resolving, and reporting on projects.
- Managing post construction documentation processes (as-builts/CCC/FAC etc.).
- Managing security deposits and reductions through to maintenance and completion.
- Ensuring timely completion of all shop drawings and approvals.
- Preparing cost to complete, cash flows and internal project reporting.
- Ensuring quality, safety, legislation and industry standards are met or exceeded.
- Establishing and maintaining relationships with consultants, contractors, and suppliers to ensure CFN is obtaining high quality workmanship for the best market prices.

Other:

- May assist other departments with special projects.
- Other duties or responsibilities as approved by the Lands and Capital Director or designate.
