DRINKING WATER Claims Forms Clinic – SPECIFIED INJURIES

Wednesday, April 26, 2023 from 5-8PM @ Cheam Band Office

Description:

The Class Action Counsel will be in the community to talk about Specified Injuries and help members fill out individual and representative claims forms.

What to Bring:

- Status Card (recommended), or any ID
- Direct deposit slip (or a cheque can be mailed)
- If applying on behalf of a minor, the child's ID and birth certificate
- If applying for someone who passed away after November 20, 2017 – death certificate
- Other documentation may be required

Background:

In 2019, three First Nations (Neskantaga, Curve Lake and Tataskweyak) launched class actions against the Government of Canada claiming that Canada failed to provide clean, safe drinking water. The claim was negotiated and settled 2021.

The settlement includes compensation for Impacted First Nations and certain communities that had drinking water advisories of more than one year, including people who lived on CHEAM IR 1 from:

CHEAM IR 1 advisory dates are:

October 7, 2011-Feb 01, 2013 and November 6, 2013 – July 31, 2015

CHEAM has already submitted a list of everyone who lived on CHEAM 1 at that time, so all eligible people will receive a base payment.

Additional compensation is available for anyone who is eligible for a base payment and:

- Followed the drinking water advisory and still suffered from a set list of Specified Injuries
- Became sick on, during or after one of the advisories on CHEAM IR1 (not before)

Types of Specified Injuries:

1. Digestive (disorders affected the stomach, intestines, and associated organs)
2. Respiratory / Breathing
3. Dermatological (condition involving skin, hair, and nails)
4. Liver
5. Neurological (brain / nervous system)
6. Bloodstream infections
7. Kidney
8. Tumors or Cancer
9. Mental Health
 1. Depression
 2. Panic Disorder
 3. Substance Addictions / Use Disorders (Alcohol, Cannabis, Tobacco, Sedative/Hypnotic/Anxiolytic Use Disorder)
 4. Post-Traumatic Stress Disorder
 5. Specific Phobia
 6. Adjustment Disorder
 7. Generalized Anxiety Disorder

Also, if a loved one has passed away after November 20, 2017, you may be able to claim on their behalf. To learn more about these claims and for help to submit a claim for them please come speak with Class Counsel on April 26.

The First Nations Health Benefit (FNHB) Program covers specific medically necessary items, services, and travel that support First Nations peoples' health and wellness needs. The program is administered through partnerships with Pacific Blue Cross and PharmaCare.

Eligibility

The FNHB Program is available to First Nations people with Indian status who live in BC and infants (up to 24 months) of an eligible parent. To access the benefits and coverage under the Health Benefits Program, First Nations people must first enroll in the program. Please call 1-855-550-5454 or visit fnha.ca/benefits/eligibility for more information on how to enroll.

Health Benefits Coverage

The FNHB Program covers six benefit areas:

DENTAL

The Dental benefit provides coverage for items and services to maintain good oral health, prevent cavities, gum disease, and restore damaged tooth function. Some items and services covered under the dental benefit are bridges, crowns, exams and x-rays, fillings, and preventive services.

MEDICAL SUPPLIES AND EQUIPMENT

The Medical Supplies and Equipment (MS&E) benefit provides coverage for items and services needed in the short or long-term to support health and wellness. Some items and services covered under the MS&E benefit are bathing and toileting aids, hearing aids and repairs, limb and body orthotics, ostomy supplies, walking aids, and wheel-chairs.

MEDICAL TRANSPORTATION

The Medical Transportation (MT) benefit assists with the cost of meals, accommodation, and transportation towards travel for a medical appointment outside your community of residence. The MT benefit may also cover travel escorts under certain conditions.

MENTAL HEALTH

The Mental Health benefit covers in-person and virtual counselling services from a qualified mental health provider registered with the FNHB. Coverage is available for Mental Health counselling from four programs. The Mental Wellness and Counselling program is for Status First Nations individuals, while the Indian Day Schools Health Support Program, Indian Residential School Resolution Health Support Program, and Missing and Murdered Indigenous Women and Girls Health Support Services are available to both status and non-status individuals. Talk to your Mental Health Provider to determine the appropriate program for you.

PHARMACY

The Pharmacy benefit, administered mainly through Plan Wellness (Plan W), provides coverage for medications and items that support First Nations people on their wellness journeys.
