## Toxic Drug Response & Priority Populations Overdose Outreach Team

### What's Happening?

The Fraser Health (FH) Overdose Outreach Team (OOT) works in allyship with individuals accessing the unregulated toxic drug supply to reduce the risk of toxic drug poisoning. OOT works with individuals to enhance wellness, personal resilience, self-determination and build knowledge to support safer navigation of or separation from the increasingly toxic drug supply.

OOT acknowledges not everyone who uses substances or experiences a toxic drug-poisoning event has a substance use disorder that requires clinical substance use services.

### When Will This Happen?

OOT is currently taking referrals. Please see below for referral process.

### Important Things To Know About OOT?

- Individuals are not required to alter their substance use to access OOT services.
- OOT is a multidisciplinary team comprised of peer support workers, outreach, and nurses working alongside social workers and consulting with harm reduction coordinators.
- **Target population:** Anyone  $\geq 19$  yrs., accessing the unregulated toxic drug supply and are at risk of toxic drug poisoning.
- **Referrals:** Anyone can refer to OOT and clients can self refer. Client consent for referral is required.

#### For Fraser Health sites that use PARIS:

Please refer by completing and submitting a referral through the 'Substance Use Referral Form' on PARIS. Select the OOT team for the region you are making the referral to, which is determined by the client's address (i.e. if you are making a referral for Fraser East, please select *PH Overdose Outreach Team East*).

#### Community and Fraser Health Programs that do not use PARIS:

Please refer by one of the methods listed below:

- **Email:** [oot@fraserhealth.ca](mailto:oot@fraserhealth.ca) please include your name, address, and best way to reach you when emailing a referral. ***Please do NOT send client identifying information via email due to privacy.***
- **Fax:** 604.930.5432 please include your name, address, and best way to reach you when faxing a referral.
- **Phone:** 236.332.4857 **Non-Emergency Intake Line Open 24 Hrs** please leave a **voicemail** or **text** message with your name and best way to reach you.

***\*Please note:*** referrals will be responded to within 24-48 hours (weekends/holidays may extend this time).

The OOT team is available for consultation for reducing toxic drug poisoning risk across the region.
