CHEAM FIRST NATION VISION STATEMENT

We the people of Cheam are committed to developing a united and harmonious community. We respect individual diversity & promote a healthy, self-sufficient lifestyle. We need one another and value one another's views. In appreciation of our uniqueness, we foster mental, physical, emotional and spiritual wellbeing. In doing so, we strive to build pride, dignity and respect amongst our people.

LAND USE PLAN

A reminder that feedback on the draft Land Use Plan will be accepted until July 15th. Feedback forms are available at the reception with Daphne, at the link below, and at the back of this newsletter. Completed forms can be emailed to cheamlands@cheamband.com or dropped off at the band office.

Everyone who provides feedback will be entered into a draw to win a full canning kit (including a stainless steel pot, jars, tongs & all the accessories).

For more information, all documents, or the latest updates, please visit our website at <https://cheam.ca/2025/06/cheam-first-nation-land-use-plan>.

Developing a Land Use Plan is an important step towards greater self-determination and long-term planning for Cheam. It empowers our community to shape how our lands are used, protected, and developed in a way that reflects our values, priorities, and vision for the future. This process is about building a clear, community-driven framework that supports responsible growth, cultural preservation, and sustainability to ensure that our lands continue to meet the needs of our members today and into the future.

Cheam Church Survey

We would like to gather input from the community on how you envision the future use of the the Cheam church building. Community feedback would be greatly appreciated.

Some initial suggestions for potential building uses (tick any options you like):

- ☐ A community child and youth centre (a safe, supervised space for gathering, games, and youth activities)
- ☐ Renovating it back into a church
- ☐ Using it for storage
- ☐ Converting it into office space
- ☐ Other (please fill out) _____

Deadline of July 23 , email to cheamlands@cheamband.com or drop off to Band Office

Hope Slough Restoration Update

Cheam's Operations Department and Environmental Department are working together this August and September on the restoration of water channels at the upper end of the Hope Slough. This work will help prepare the channel for future reconnection to Backwash Slough and the Fraser River, and create spawning space for adventurous coho that may return to this part of the slough.

Machines will be accessing the site from the dyke and will not go through the farm field. If you have any questions about this project, please reach out to Roxanna in the Environmental Department.

Did you know that the Hope Slough used to connect to Backwash through the channel in red? (1953)

The area in blue is where the excavation work will take place."

SIGN UP FOR ELECTRONIC FUNDS TRANSFER (EFT)

Our goal is to slowly move all members on to electronic payments so that things like distribution, catering, and other benefits can be deposited right into your bank account. We know it will take time to get everyone switched over, so we are getting started now with the goal of having the majority switched over within one year. You can go into your bank and ask for the EFT form, or you can download it from your online banking. If you need help

figuring out how to download the form from your online banking please let us know and we will assist you. All forms go to accountspayable@cheamband.com or can be dropped off at the Band Office attention: Deysi. Please note you must include your email address as well.

Rest assured that your EFT information will only be accessed by authorized personnel involved in the payment processing system.

STAFF UPDATES

We are pleased to announce the addition of Bruce Douglas, Georgia Bernard, Angelina Louie and Leanne Prest to the Cheam Team.

Georgia Bernard is joining us as **Administrative Assistant (SASET)** on a fixed-term contract from July 7, 2025 – March 31, 2026, and will report directly to Rachel Wille, Director of Operations. Georgia is a Cheam member with a passion for baking, photography, and beading. She also enjoys gaming (her favorite game is Fortnite) and spending time with friends at the beach. Georgia is currently working to complete two courses to receive her high school diploma. During her time with us Georgia will be working closely with Daphne at the front desk and learning reception.

Bruce Douglas is joining us as **EOC Coordinator** on a fixed-term contract from July 7, 2025 – January 31, 2026 and will report directly to Rachel Wille, Director of Operations. Bruce is a proud Cheam member, the son of the late JJ Douglas and a father of four. Bruce has deep roots in the community and has lived in Cheam since 2012. Bruce has a strong background in paddling, having paddled with the 5 Star Canoe Club and currently with the Lost Boys Canoe Club. He served a term on Cheam Band Council in 2020, and has been involved in wildfire fighting since 2021. He has been working on pursuing his apprenticeship as a utility arborist and is very excited to work in the community again.

Angelina Louie is joining us as **Administrative Assistant (SASET)** on a fixed-term contract from July 7, 2025, to March 31, 2026, and will report directly to Rachel Wille, Director of Operations. Born in Powell River and raised in Ucluelet, Angelina has lived in Chehalis for the past five years. She graduated from Agassiz Secondary School in 2022. In her free time, she enjoys walking her dog by the river and spending time with family and friends. During her time with us, Angelina will be assisting with records management.

Leyaqwemot (Leanne) Prest is joining us as **Cultural Liaison** starting July 7, 2025 and will report directly to Noelle Hart, Interim Health & Wellness Manager. Leanne grew up off-reserve in Hope and has been connected to Cheam since 1998, and lives in the community with her husband and six grown children. She previously managed Cheam Landfill for ten years before pursuing a career in addictions counselling, earning her diploma in 2017. After graduating, she worked with Indigenous inmates at Kent Institution and Fraser Valley Institution. As she continues her own healing journey, she has decided to start focusing more on herself and her community. She is super excited to rejoin the Team as Cultural Liaison.

Please join us in welcoming Bruce, Georgia, Angelina and Leanne to the team.

YOUTH PROGRAMS/EVENTS

XWCHÍYÒ:M
CHEAM FIRST NATION

The Cheam Youth Council Working Group will be meeting once a month, on the second Wednesday of every month. Over the next year, the meetings are in place to continue engaging with the Youth as the structure of the Youth Council gets built.

With a goal to have the first official Youth Council up and running by next spring. Youth input is essential in the development of this upcoming Youth Council. Meetings will be from 5pm - 7pm in the Cheam Gymnasium. Once the Youth Council has been built, it will be for ages 16-26, however, if any 13-15 year olds wish to join the working group meetings, they are welcome.

Below are the Working Group meeting dates:

HOW TO SET UP AND ACCESS FNHA HEALTH BENEFITS

How to activate your Member Profile

Did you know?

You do not need to activate your Member Profile to claim your benefits. Simply show your Status Card to dental, vision and medical supplies and equipment providers.

If you are already covered by a **group benefits plan** administered by Pacific Blue Cross, instead of activating your FNHA profile, sign in or activate your Member Profile using your group plan's Policy and ID number. You should be able to see both your group plan and FNHA Policy 40000 in your profile.

What is your Member Profile?

As a client of the First Nations Health Authority (FNHA), you automatically get a Pacific Blue Cross Member Profile as part of our Health Benefits Program. Your profile is unique to you. Your Status Number doubles as your Pacific Blue cross Member ID number.

You can sign in to your Member Profile any time to:

- look up your dental, vision and medical supplies and equipment benefits
- keep track of how much you've claimed for each benefit
- submit claims online

Getting started

Go to pac.bluecross.ca/fnhaclient and click **I want to Register for Access to my Member Profile**:

Follow the same steps to activate your child's Member Profile.

If your child is over 18 months of age but too young to activate a Member Profile, create a profile by entering your child's:

- Status Number
- first and last name
- birthdate

Enter your email address as the contact. A child under 18 months of age will appear in your Member Profile as a dependent.

HOW TO ACTIVATE YOUR MEMBER PROFILE

How to activate your profile

Enter your Status Card Number. Click Continue.

Then, type in your:

- first and last name on your Status Card
- contact email address
- birthdate

Next, choose 3 security questions and answers. Pacific Blue Cross will ask these to confirm your identity if you forget your password. Choose a hint for each one, in case you need help to remember the answer.

☒ Check the first box if you want to subscribe to the Pacific Blue Cross Member newsletter (optional). If you leave this box blank, you will still receive important emails about your account and claims confirmations.

☒ Click on the second box **I accept the User Agreement and Privacy Policy** (required).

■ Click on the blue button **Register for Caresnet**.

☒ By checking this box, I consent to receive emails about healthy service, savings and coverage from Pacific Blue Cross. These emails are sent out to Pacific Blue Cross Members and include valuable savings along with information on Pacific Blue Cross benefits, insurance offerings, health information and our community initiatives. You can withdraw your consent and unsubscribe at any time.

ALCOHOL

31 AUGUST

INTERNATIONAL
OVERDOSE
AWARENESS DAY

WHAT IS ALCOHOL?

Alcohol is a legal depressant that slows down the messages travelling between the brain and the body. In small amounts, alcohol can cause you to feel relaxed, more confident and heighten your emotions.

Alcohol depresses the nerves that control involuntary actions such as breathing and the gag reflex (to prevent choking). A fatal dose of alcohol will eventually cause these functions to shut down. Since alcohol is an irritant to the stomach, excessive vomiting is also common. If the person is unconscious, this could lead to death by asphyxiation.

SIGNS OF OVERDOSE

- Confusion
- Loss of co-ordination
- Vomiting
- Seizures
- Irregular breathing (a gap of more than 10 seconds between breaths)
- Slow breathing (less than eight breaths per minute)
- Pale or blue tinged skin
- Low body temperature (hypothermia)
- Unconsciousness or passing out

OVERDOSE RESPONSE

Call an ambulance, tell the operator your location, and stay on the line.

Keep them warm.

If you can't get a response or the person is unconscious, put them in the recovery position. Don't leave them on their back.

If they are awake, try to keep them in a sitting position and awake.

Be prepared to give CPR if they stop breathing before an ambulance arrives.

If muscle spasms or seizures occur, remove anything from the immediate environment that might cause injury.

The Recovery Position

Support face Place the arm nearest to you at right angles to the body. Place their other hand against their cheek.

Lift Leg Get hold of the far leg just above the knee and pull it up, keeping the foot flat on the ground.

Roll over Keep their hand pressed against their cheek and pull on the upper leg to roll them towards you and onto their side.

WHAT NOT TO DO IN THE EVENT OF A SUSPECTED OVERDOSE

- **Do NOT leave them to sleep it off:** the amount of alcohol in someone's blood continues to rise even when they stop drinking.
- **Do NOT give them coffee:** alcohol and coffee both dehydrate the body. Having both can lead to severe dehydration and permanent brain damage.
- **Do NOT make them sick:** alcohol can interfere with a person's gag reflex, causing them to choke on their own vomit.
- **Do NOT walk them around:** alcohol slows brain function and affects co-ordination and balance. Walking them around might cause accidents.
- **Do NOT put them in a cold shower:** it could dangerously reduce body temperature and lead to hypothermia.
- **Do NOT let them drink more alcohol:** the amount of alcohol in their bloodstream could become even higher – which could put them in further danger.

REMEMBER.
TIME TO **ACT.**
